

Helping patients reach
their full potential.

BOOTH #572

Signs of success

Turn heads at your next event with signs and graphics.

Posters and Banners

Make an impression with high-quality posters and banners. Available on a wide range of substrates, our indoor signs are durable, with crisp colors that stand out. Finishing options, including lamination and mounting hardware, give added durability. And you can choose from multiple display options to make sure your signs attract attention.

Hanging Banners

These lightweight, flexible banners work well in both vertical and horizontal formats.

- Prints four-color process on two sides
- Can be contour cut
- Hanging display hardware available

Deluxe Adjustable Retractor Display

This lightweight, flexible banner works well in both vertical and horizontal formats.

SIZE Width: 33" Height: 80" to 92"

- Available in matte or gloss
- Prints four-color process on one side
- Retractor display kit available

Meter Board With Display

Firm but lightweight signage that can be used to print powerful, high-quality graphics.

SIZE 48" x 72" or 48" x 96"

- Prints four-color process on two sides
- Meter board display unit kit available

Foam Core Print

Foam core is a dense but lightweight option that's perfect for large signage, but easy to hang or move.

SIZE 18" x 24" or 24" x 36"

- Best for indoor applications
- Prints four-color process on one side
- Can be contour cut
- Easel display kit available

Window, Floor and Wall Graphics

Draw attention to your business with eye-catching window, floor and wall graphics. You can create your graphics in a variety of sizes, fonts and colors. They're easy to apply but make a big impact on any environment. When your event or promotion is over, the adhesive is low-tac so you can quickly remove the graphics.

Window and Floor Graphics

Print photographs, graphics and lettering on self-adhesive vinyl that can be used for window and floor graphics for temporary indoor or outdoor signage.

- Can be removed anytime
- Optimal clarity for branded images
- Prints four-color process on one side
- Can be contour cut

Wall Graphics

Memorable wall graphics in removable adhesive vinyl can stick to a variety of surfaces, giving your business a boost in unexpected places.

- Custom sizes available
- Durable
- Prints four-color process on one side
- Can be contour cut

Column Wraps and Vehicle Graphics

Column wraps and vehicle graphics are the perfect way to turn heads and get your message across.

Column Wraps

Make it easy for potential customers to find you with dramatic column wraps that direct people to your booth or create awareness of your business.

- Custom sizes available
- Easily removable
- Prints four-color process on one side

Vehicle Decals

Your vehicle or bus can be a moving ad for your business with removable self-adhesive vinyl that produces eye-catching images with brilliant colors.

- Waterproof
- Durable
- Prints four-color process on one side
- Can be contour cut

fedex.com/conventions

Check signs and graphics off your to-do list.

When you preorder your signage from FedEx Office before your event, we'll have it ready and waiting for you when you arrive at your hotel or convention center. If any last-minute surprises come up while you're on the road, we've got on-site printing experts who can get you what you need, when you need it.

And we've got you covered for all your other printing and business service needs. You might say we're your office away from the office.

- Printing, copying and binding
- Packing and outbound shipping
- Mobile and USB drive printing
- Business supplies and phone chargers

Contact the FedEx Office® Print and Ship Center at your event location to find out more about our signs and graphics capabilities. Go to fedex.com/conventions to see if we're on-site for your next event.
