- 2 Within the Customs Clearance Preferences section, check the “**Enable Electronic Trade Documents (ETD)**” box.

The screenshot shows the FedEx website's 'Customs Clearance Preferences' section. The 'Enable Electronic Trade Documents (ETD)' checkbox is checked and highlighted with a red circle and the number 2. Other options include 'Always Create Commercial Invoice', 'Always print Commercial Invoice/Pro Forma Invoice on uploaded company letterhead', 'Always include uploaded signature on the applicable customs documents', 'Always print additional reference copy(ies) of label', 'Always print additional copy(ies) of customs documents', 'Enable EEI/SED data import from FedEx Agent Filing Tool', 'Always display additional customs documentation', 'Always provide a duty and tax estimate', 'Enable Document Profile Selection', and 'Always display advisories'.

Note: If your user account does not have ETD as an option in Customs Clearance Preferences, your shipping administrator will need to enable ETD by selecting the “**customize privileges, references and default**” option in the User Settings from the *Administration* tab.

The screenshot shows the FedEx Ship Manager Lite interface. The 'Administration' tab is selected, and the 'Create a Shipment' section is visible. The 'Enter shipping information' step is highlighted with a red circle and the number 1. The 'Print label(s)' step is highlighted with a red circle and the number 2. A red box highlights the 'Contact your administrator' link.

The screenshot shows the FedEx Administration: BROWN, DENEZZA interface. The 'Admin Home' section is visible, showing 'Company Admins' and 'Latest Admin Activity'. The 'Company Admins' table lists users, including John Smith, with a 'Remove' button. The 'Latest Admin Activity' section shows a list of activities. The 'Company Summary' section shows '1 Accounts' and '1 Groups' with buttons for 'Add existing', 'Import', 'Download', 'Create new', and 'Download'.

- 3 Review the FedEx Electronic Trade Documents Terms of Use. After reviewing, click the “**I accept**” button.

FedEx® Electronic Trade Documents [Close window](#)

Terms of Use

THE FOLLOWING TERMS OF USE GOVERN YOUR USE OF FEDEX® ELECTRONIC TRADE DOCUMENTS. YOUR VIEWING OR USE OF THIS SITE CONSTITUTE YOUR AGREEMENT, ON BEHALF OF YOURSELF AND THE ENTITY YOU REPRESENT (HEREINAFTER “YOU” OR “YOUR”), TO ALL OF THE TERMS AND CONDITIONS PROVIDED BELOW.

FEDEX MAY MAKE FUTURE CHANGES OR MODIFICATIONS TO SUCH TERMS AND CONDITIONS AT ANY TIME WITHOUT NOTICE, AND YOUR SUBSEQUENT VIEWING OR USE OF THIS SITE WILL CONSTITUTE YOUR AGREEMENT TO THE CHANGES AND MODIFICATIONS.

1. Acknowledgment of Agreement with FedEx Software or Web-based Shipping Platform End User License Agreement or Terms of Use and Conditions of Carriage. Prior to accessing FedEx® Electronic Trade Documents, You acknowledge that You have accepted the Terms of Use or the End User License Agreement for the applicable FedEx Internet-based shipping application or FedEx shipping software, including but not limited to FedEx Ship Manager Software, FedEx Ship Manager Server, FedEx Ship Manager at fedex.com, and FedEx Web Services, and agree with said Terms of Use or End User License Agreement. You also agree that all shipments are subject to the Conditions of Carriage as published by FedEx in the applicable Service Guide or Standard Conditions of Carriage on www.fedex.com or elsewhere and set out on the Air Way bill.
2. Agreement to Use Electronic Trade Documents Instead of Printed Documents. By utilizing FedEx® Electronic Trade Documents, You authorize FedEx to ship Your international shipments using electronic documents instead of printed documents, including but not limited to the applicable commercial invoice, pro forma invoice, and export certificate of origin.
3. Agreement to Provide Information, Letterhead and Signature Image. By utilizing FedEx® Electronic Trade Documents, You agree to provide FedEx with all information necessary to ship Your international packages, including but not limited to package level detail information, Your company letterhead and a signature image for You or an authorized representative of Your company.
4. Accuracy of Information. You represent, warrant and covenant that any information provided by You to FedEx shall be true, accurate and complete.
5. Validity of Letterhead. You represent, warrant and covenant that the letterhead provided by You to FedEx for use in executing electronic trade documents on Your behalf shall be a valid letterhead and that You possess the necessary right, title and interest in the letterhead to authorize FedEx to use the letterhead to execute electronic trade documents on Your behalf.
6. Validity of Signature Image. You represent, warrant and covenant that any signature image provided by You to FedEx for use in executing electronic trade documents on Your behalf shall be of a valid signature by a person authorized by You or Your company to ship with FedEx and execute shipping-related documents on Your company's behalf, and shall be sufficient to constitute Your signature.
7. Authorization for FedEx to Use Information. For any electronic trade documents completed by FedEx on behalf of You or Your company, You authorize FedEx to use the information provided by You to ship Your international packages, including but not limited to package level detail information, Your company letterhead and Your signature image or a signature image of an authorized representative of Your company.
8. Original Documentation May Be Required for Some Shipments. You acknowledge that applicable customs laws, rules and regulations may require additional documentation for certain commodities, values or quantities and/or require that original hardcopy commercial invoices, licenses, permits, declarations, forms, certificates or other documentation accompany the shipment. You agree that it is Your responsibility to include all required documentation (including, without limitation, original hardcopy documentation) with any shipment You send using FedEx Electronic Trade Documents.
9. Indemnification. You will, at Your sole cost and expense, defend, indemnify and hold harmless FedEx, its parent corporation, subsidiaries, affiliated companies and their respective officers, directors, employees, agents, successors, and assigns from all claims, demands, suits, damages, costs, expenses, fines and judgments, including reasonable attorneys' fees (hereinafter collectively “Claims”), arising out of FedEx's use of the information provided by You, including but not limited to package level detail information, Your company letterhead and Your signature image or a signature image of an authorized representative of Your company. FedEx may intervene and assume its defense in any such claims, at its expense and in its sole discretion. You will not settle any action relating to any Claim that involves FedEx without the prior written consent of FedEx.

- 8 Click “**Upload**” to upload a signature image. Signature image les must be in either GIF or PNG format and no larger than 240 pixels wide by 25 pixels high.

The screenshot shows a web interface titled "Signature". It contains a message: "If you select the Print Signature Image Option in FedEx Ship Manager at fedex.com and FedEx Global Trade Manager, the following image will be printed on the 'Signature' line on each document that is completed online (where signature images are allowed):". Below this is a dark grey box with the text "(No image has been uploaded.)". A text prompt says "To update the image, specify the image's path and file name below and click Upload." There is a "File name" input field, a "Browse..." button, and an "Upload" button. A purple circle with the number "8" is placed over the "Upload" button. At the bottom, an alert box with an exclamation mark icon states: "Alert: Your image must be in either the GIF or PNG format and no larger than 240 pixels wide by 25 pixels tall."

If you need to create your digital signature file, you will first need to scan, size, and upload your signature.

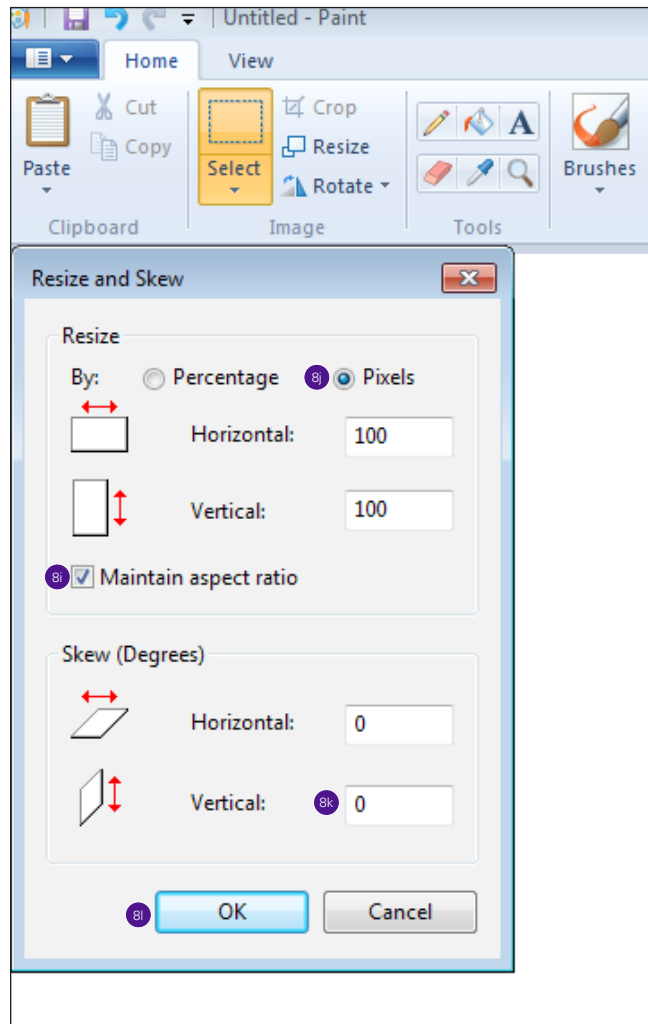

- To begin, sign your name on a blank piece of paper. It is suggested that you use a marker.
- Next, use a scanner to capture your signature and save it to your computer.
- To correctly size the image, use a tool such as Microsoft Paint.
- Open the scanned signature file in Microsoft Paint. If necessary, rotate the image so that it is correctly oriented on the screen.
- Under the **Home** tab, click the “**Select**” icon.
- Using your mouse, draw a rectangle around the image, leaving limited white space around the signature.
- Click the “**Crop**” icon.
- Next, click the “**Resize**” icon.

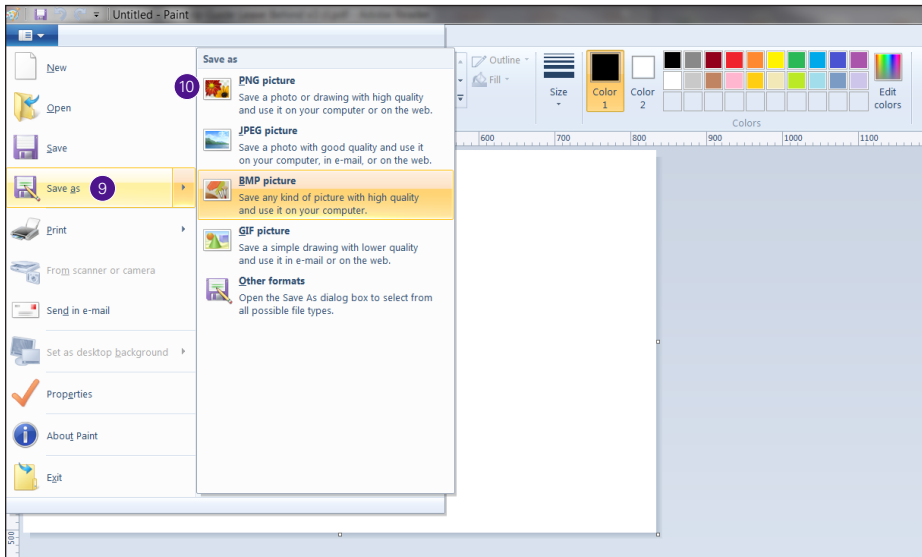

- i. Ensure that the “**Maintain aspect ratio**” box is selected.
- j. Select the “**Pixels**” radio button.
- k. Enter 25 pixels in the “**Vertical**” input field. Check the updated horizontal pixel number. If it is under 240, no further changes are required. If the image is larger than 240 pixels wide, then enter 240 in the horizontal field.

Note: It is required that a signature le be no larger than 240 pixels wide by 25 pixels high and for a logo le to be no larger than 700 pixels wide by 50 pixels high.

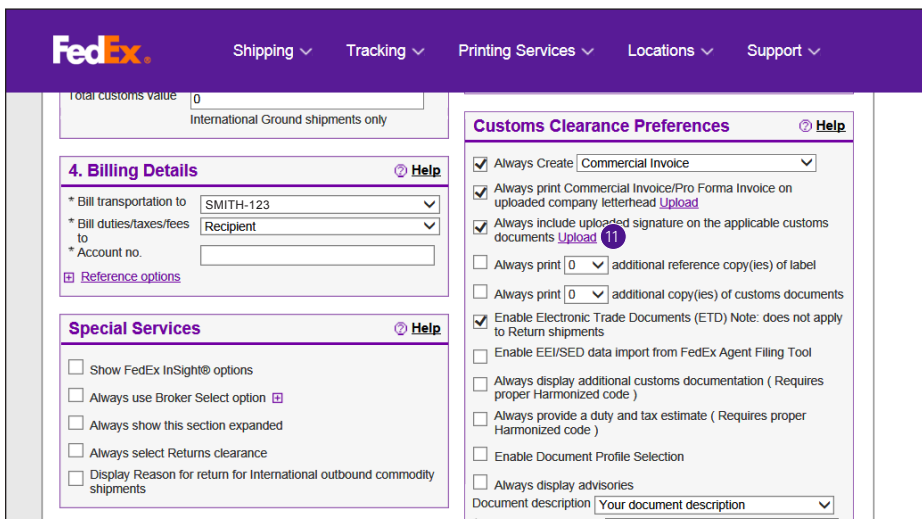

- l. Click “**OK**”.

- 9 Under the **Utility** tab, click **"Save as."**
- 10 Select **"PNG picture."**

- 11 You can now upload the digital signature to **fedex.com** by clicking **"Upload"** next to the **"Always include uploaded signature on the applicable customs documents"** option.

- 12 Click "**Browse**."
