

# Creative Logistics Solutions' *InfoShip®/Vx* earns 2019 FedEx Compatible Solution of the Year.

Each year, FedEx evaluates and ranks every FedEx® Compatible solution based on a number of metrics. The top solutions can earn either Diamond, Platinum or Community status based on their contributions and performance. Additionally, one solution is awarded Solution of the Year for going above and beyond in their relationship with FedEx.

FedEx Compatible would like to congratulates Creative Logistics Solutions for *InfoShip/Vx* being named 2019 Solution of the Year, recognizing *InfoShip/Vx*'s leadership in the ecommerce segment and their increased focus on the small-to-medium customer.

Creative Logistics Solutions (CLS) has more than 20 years in the shipping software industry. Their solution, *InfoShip/Vx*, can integrate into a customer's existing systems increasing speed and reliability, while providing customers with dedicated 24-hour, 365 days per year support.

*InfoShip/Vx* earned the Solution of the Year designation for launching a Web Services version of the solution and ensuring customers have the newest version of FedEx software with the most up-to-date products and services available.

## Congratulations to *InfoShip* and all our 2018 FedEx Compatible solutions!
